

# Wigginton Squash Rackets Club

## Men's Club Championships

2013/14

Thanks to all the members who entered and helped Jack Unsworth run the competition. It always requires plenty of markers to make the competition run smoothly and the backbone of the marking shifts came from Ian Cordell who marked a majority of the latter stages of the main & plate competition. Thank you.

Congratulations to Jonny Duffield, the Men's Champion for the 5<sup>th</sup> time. He now has equalled Ian Tooms record of 5 Club Championship wins and is looking for a 6<sup>th</sup> win next year, which will mean that he has tied with Matthew Lowery who has won the most titles with a total of 6. So you never know a couple more years Jonny and you have some really impressive Honours board statistics!

Anyway, you could see that Jonny meant business by taking the first game 9-0 against Mackenzie Nichol, followed by the second game 9-3. Mackenzie knuckled down in the 3<sup>rd</sup> game and although he had already defended 2 match balls managed to get a game ball himself. He did not convert it and Jonny did not ignore his next match ball and took the title with a 10-9 win in the third. Congratulations.

Jonny Duffield  
Men's Champion  
2013/14

In the plate final Mark Wilson, who plays for the men's 3<sup>rd</sup> team proved to be fast and accurate for Adam Smith, a dual club member of Wiggy & Clifton, who plays for Clifton 3<sup>rd</sup>. Anyway, Adam was the slightly looser shot player of the two and Mark volleyed any loose shots punishingly away for a 3-0 win. Well done Mark.(9-3, 9-1, 9-3)
